

The results of the investment idea:
**“One more opportunity
to earn in October!
Sell #CAT shares now!”**

The main issue is to sell the Caterpillar Inc. shares.

The recommended start amount is \$ 10,000.

Profit - from 300% to 500% of the lot size.

The period of work of the idea

is from 1st of October to 11th of November, 2019.

An investment idea: [“One more opportunity to earn in October! Sell #CAT shares now!”](#) closes on a protective order.

The alternative conditions for the sale (a rebound from 127.00-128.00) for the investment idea: “One more opportunity to earn in October! Sell #CAT shares now” were not met at all, despite the start of working out the idea and the decline of shares below the key level of 120.00. As a result, this investment idea did not live up to expectations.
