

The results of the investment idea:
**“The conflict is over.
Facebook again brings profit!”**

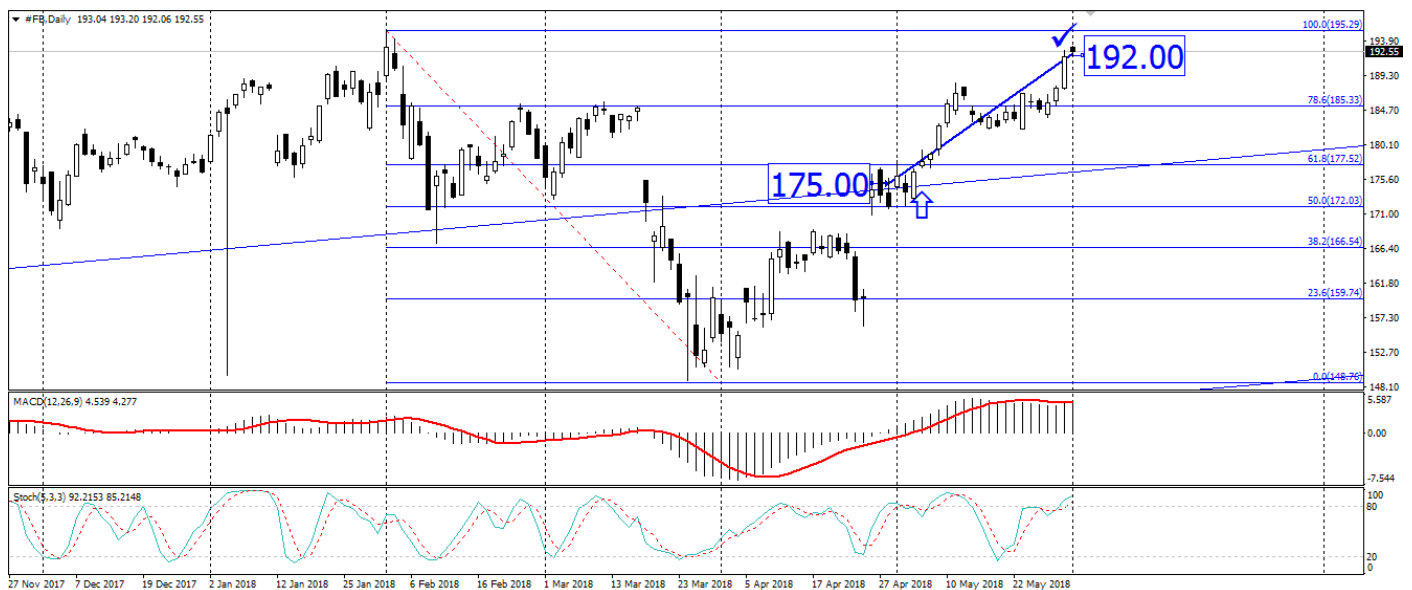

The essence of the idea - the purchase of shares
of the company Facebook Inc.
The recommended amount for start is – 10 000\$.
The profit is – from 200% to 400% of the lot size.
The idea is valid from – May, 2 till June, 1, 2018.

Expectations on the idea “The conflict is over. Facebook again brings profit!”
completely acquitted themselves at a certain date. It's connected with recovery of the
company's authority after the scandal with the leakage of personal data of users of
social network Facebook and with the general recovery of stock indices.

As a result, shares of Facebook Inc. reached the second goal in the region 190.00-193.00, and the transaction was closed due to the expiry of the deadline. These shares are in a significant overbought, which can cause correction. Therefore, the investment idea of May "The conflict is over. Facebook again brings profit!" is considered closed with full development.

This investment idea, with the recommended entry points and amount of investment, brought up to 80% of the deposit amount or about 1700 points profit for a month.
