Use the chance to earn!”**

The main issue is to buy the Walmart shares.
The recommended start amount is \$ 10,000.
Profit - from 300% to 500% of the lot size.
The period of work of the idea
is from 1 to 31 of May, 2019.

An investment idea of May [“Several reasons to buy Walmart shares. Use the chance to earn!”](#) can be considered justified. The pre-set goal of the Walmart shares was not achieved, and the deadline for working out the whole idea was delayed. The risks of a trade war, which affected these shares by the monthly movement in the flat, were the reason for the continuation and postponement of the development.

At the same time, this investment idea brought investors from 500 to 800 points of profit.

The reason for the closing of positions was the technical overbought of the asset.
